

This card has been created to help  
our patients with *Lymphoma and CLL*

.....

has a compromised immune system due to their cancer  
and treatments. **Please help them when you can.**

A stylized graphic of a green leaf with a central vein and several smaller veins branching off, positioned on the left side of the page. The leaf is rendered in a light green color against a darker green background.

# *Lymphoma* **Australia**

With you every step of the way
